

VILLAGE of McGREW

IMPORTANT INFORMATION

The Village of McGrew has Building and Zoning regulations in Place, as well as Permit requirements and set-back regulations.

Building and Zoning ordinances are available on the Village of McGrew website, (villageofmcgrew.com)

Building permits are required for new residences and new construction. Building Permits may be obtained from the Scotts Bluff County Building and Zoning department. They may be obtained in person or online.

Sewer Connection permits are issued by The Village of McGrew, and permit applications are available on the Village website (villageofmcgrew.com) . Sewer Connection Permits are \$200.00

GENERAL INFORMATION

McGrew streets are 60 feet wide, including Right of Way, and alleys are 20 feet wide. We suggest property owners have a survey done to assure property boundaries.

Building set-backs are as follows:

25 feet front yard

5 feet side yard

12.5 feet side street

5 feet rear yard
